Funds for Road Construction Projects

2217. SHRI DHULESHWAR MEENA: Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) whether it is a fact that some State have proposed setting up of joint ventures between Government and the private sector to raise funds for financing road construction projects;

(b) whether it is a fact that alternatively a revolving fund for toll-based projects and re-deploying toll collection and other funds generated through advertisements and roadside amenities have been suggested; and

(c) if so, what is Government's reaction thereto?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI JAGDISH TYTLER): (a) and (b) Constitutionally, Government of India are responsible primarily for the National Highways. Development of roads other than the National highways is essentially the responsibility of State Governments. In 1986, Government of India had requested the State Governments to explore the possibility of private sector participation in State Road projects. No further information is available with Government of India in regard to any State setting up Joint Ventures with private sector to raise funds for financing road projects or creating a revolving fund for toll-based projects.

(c) Does not arise.
